Nineteen Hundred And

Eighty Echoes

To everything there is a season, and a time to every purpose under the heavens.

When we look back over the years and remember all of the many people who, in their own ways, touched our lives, we will always remember you as one who touched us in a special way.

Your deep concern for our intellectual growth will be with us always. Because you have spent so much time dedicating yourself to us, we, the Echoes Staff of 1980, dedicate our annual to you,

our very own Mrs. Nancy West
